This includes, but is not limited to: scholarships, varsity lockers, towels, green fees, apparel, footwear, equipment, etc.

• All eligibility challenges and appeals will be reviewed by the Competitive Sports administrative staff. All such decisions will be deemed final.

Participating with an Ineligible Player
• A team that is discovered to be participating with an ineligible player by Competitive Sports staff at the game site shall immediately forfeit the game or match.
• Forfeited games during the playoffs will result in the violating team being immediately eliminated from the playoffs with the opposing team advancing, so long as they remain eligible.
• Participation is defined as an individual signing in at the game site, regardless of actual playing time.
• It is not necessary for a team to protest a player in order for that player to be ineligible.

Participation

Leagues
• Men’s Divisions – For male students, faculty, and staff; teams advance to the All-Campus Championship Playoffs, meeting the Fraternity League champion in the All-Campus Championship Final.
• Women’s Divisions – For female students, faculty, and staff only; teams advance to the All-Campus Playoffs, meeting the Sorority League Champion in the All-Campus Championship Final.
• Co-Recreational Leagues – All participants may compete in Co-Recreational activities in addition to their participation in the men’s or women’s leagues. A number of sports may have additional rules unique to its Co-Recreational League. Please refer to the individual sport rules for these specifications.
• We offer specific competitive and recreational options within leagues where appropriate:
  o Competitive League – These leagues and tournaments are highly competitive. Teams feature players with advanced skill in the sport. Teams may advance to the All-Campus Championship Playoffs, meeting the Fraternity or Sorority champion in the All-Campus Championship Final.
  o Recreational League – These leagues and tournaments are slightly less competitive. Teams feature players whose primary objective is to have fun. Teams advance to a separate playoff, but do not advance to an all-campus final game.

Gender Identity
• Players may be on the roster for one-single gendered team and one Co-Rec team. Example: A male cannot participate in the Men’s Competitive league and the Fraternity league.
• Participants may play Intramural Sports in accordance with their self-identified gender, regardless of any medical treatment. It is expected that that this is done in good faith and is consistent with a player’s expressed gender identity. A participant’s gender identity will be applied when there are specific rules or player ratio requirements for CoRec divisions.
• University Recreation seeks to provide opportunities for all students to participate in its sport programs, if an individual or team is unsure of how participants fit into the framework of any sports, please contact the Assistant Director of Competitive Sports.
• If conflicts, procedural questions, or protests arise, the Competitive Sports Office may seek consultation and advice from other departments across campus including the Women’s and Gender Resource Center, Office of Student Conduct, Office of Counsel, and Risk Management.

Greek Competition
• All registered student members of Greek organizations on campus are eligible to compete in the Greek leagues when available.
• For Fraternities there are two divisions: Bryant and Moore. These divisions are decided based on organizational enrollment and may change annually. These divisions will be determined at the beginning of the Fall Semester each year.
• Teams in both divisions will advance to a Fraternity playoff, with the winner meeting the Men’s League Champion in the All-Campus Championship.
• Sorority champions will advance to meet the Women’s League champion in the All-Campus Championship Finals.

Roster Management
• A team’s roster is comprised of those eligible players who register online. Rosters are limited to 20 individuals. Once a team has reached the roster limit, no additional players may be added.
• A team roster is locked on the final scheduled day of the sport’s regular season or pool play. All roster additions must be completed online prior to this deadline.
• Any player, prior to checking into their first game, may be removed from the roster to join another team to play.

Ringer Rule
• During the regular season, teams may use participants that are not on the official team roster as long as that participant is eligible to play Intramural Sports.
• The majority of participants competing in an event must be on the official team roster.
• This rule will only be in effect to meet the minimum number of players to start the game.
• During the playoffs, only participants listed on the official team roster may participate in an event.

Scheduling
Each team registered in a certain sport will be scheduled to play in regular season or pool play games. Teams typically receive two or three regular season games depending on the format of the sport. All regular season games are published on IMLeagues shortly after the registration period for the sport has ended.

Defaults
• Any team knowing in advance that they will be unable to play in a regularly schedule contest is provided the opportunity to default the game and not play.
• In order for the contest to be considered a default, the team captain must complete the Intramural Default form at http://goo.gl/forms/9SNqsreZ3A prior to 2:00 p.m. the day of the contest. Defaults for Sunday contests must be made by 2:00 p.m. the preceding Friday.
• A team that defaults will receive a loss in the league standings but will not be charged a forfeit fee. Defaulting teams will receive a 4.0 sportsmanship rating.
• A team’s second default will be considered a forfeit and the captain will be charged a $15 forfeit fee.

Forfeits
• All teams should sign in with the Competitive Sports staff, present at the specific field or court for their contest, and properly equipped by the scheduled game time. Failure to do so will result in a forfeit, and the team will be charged a $15 forfeit fee.
• If a team has one less person than the minimum number required to participate, they will be extended a five minute grace period. If the team is not ready after this five minute period, the game will be declared a forfeit.
• A team that defaults will receive a loss by a score of 12-0 and receive a sportsmanship rating of 2.0.
• If neither team has the required number of players at the scheduled game time, the game will be declared a double forfeit.
• A team will be disqualified from the remainder of the season or playoffs after two forfeits.
Rescheduling Games

- When possible, the team’s first rained out game in the regular season will be rescheduled as available time and space allow.
- Depending on staff and facility availability, teams may request to have a game rescheduled. The team captain wishing to reschedule the game must contact the Competitive Sports office to start the rescheduling process.
  - If staff and facility space is available, the captain will be directed to contact the opposing captain to request that the game be moved. If both team captains agree to a new game time, an email with both team captains included must be sent to imsports@ua.edu.
  - Once a reschedule has been confirmed, the agreed upon game time is the official game time. The contest may not be moved back to the original time with approval by all parties.
  - If staff and/or facility space is not available, the game will take place at its regularly scheduled time.
  - Teams should contact the Competitive Sports office well in advance of their contest to maximize the chance of the contest being rescheduled.
- The Competitive Sports Office and staff reserve the right to reschedule any contest after appropriate communication with teams.

Playoff Eligibility

- To qualify for playoffs in a team sport activity, teams must meet the following criteria:
  - Have less than two forfeits.
  - Have an average Sportsmanship Rating of 3.0 or better during the regular season.
- Playoff brackets will be broken down into the following divisions: CoRec, Men’s Competitive, Men’s Fraternity, Men’s Recreational, Women’s, and Sorority.
- Please note that teams entering the playoffs will need to be able to play on days/times other than the days/times that they registered for during the regular season.

Playoff Bracket Online Draw

- Teams who qualify for playoffs will be seeded for online draw times according to their winning percentage, earned sportsmanship average, point differential, and head-to-head competition.
- Captains will have the opportunity to select a spot in the playoff bracket for their team by logging into IMLeagues starting at their designated selection time.
- Teams who have not selected a spot in the bracket by the deadline will be randomly placed in brackets.

Championship Awards

- In recognition of obtaining champion status in Intramural activities, Intramural champion t-shirts are awarded to the winners of all activities.
- To receive an award, a participant must have been on the championship team and have participated in one event throughout the season.

Captain’s Responsibilities

- Students, faculty, and staff can form their own teams and register during the appropriate dates and times as indicated in the semester calendar. One team member must be designated as the captain. The captain does not have to participate on the field with their team; however, they must be on the roster and are subject to the same eligibility restrictions outlined in the Eligibility Section.
- A “coach” or “organizational sports chair” may attend games and help with the responsibilities of several teams.
An individual may only be named captain for one team within any league.

The team captain is the key link between the participants and the Competitive Sports staff and is expected to assume the following responsibilities:

- Complete the Captain’s Quiz required after creating a team on IMLeagues and sharing necessary information with your team.
- Bring payment during registration period to the Competitive Sports Office.
- Check eligibility of all team members according to the Competitive Sports Policies and Procedures.
- Add players to the online roster.
- Remind players to arrive to the game site 15 minutes prior to game time with their ACTion Card or a valid, government-issued identification to warm-up and check-in.
- Make sure the team is at the game site, signed in, and ready to play by their scheduled time.
- Familiarize the team members with the Sportsmanship Policy. Educate them to the consequences of poor sportsmanship both for the individual and the team.
- Ensure that the team is familiar with the rules of play and Intramural Policies and Procedures as outlined in the Intramural Handbook.
  - Rules are available on the University Recreation webpage under the Intramural Sports section.
- Check online for accuracy of scores and sportsmanship ratings.
- Pay forfeit fee and allow team to return to play, when applicable.
- Communicate with the Competitive Sports Office throughout the season in regards to schedules, entries, playoffs, sportsmanship, and constructive feedback.
- Select spot in online playoff bracket when applicable.
- Help educate team’s fans on the importance of sportsmanship. The team captain is responsible for the actions of their team and fans. Unruly fans can affect a team’s earned sportsmanship rating.

**Forfeit Fee**

- A person undertaking the role of team captain is assuming financial responsibility for their team and understands that if the team forfeits a contest, they will be responsible for the $15 forfeit fee.
- Captains (or team representatives) must visit the Competitive Sports Office and pay the $15 fee in order for teams to participate in their next scheduled contest.
- Methods of payment for forfeit fees are cash, check, Bama Cash, or credit/debit.
- Failure to pay the $15 forfeit fee by the deadline will result in the following:
  - Team removal from the league or tournament.
  - Team deemed ineligible for playoffs.
  - Captain marked as ineligible for participation.
  - If unpaid at the conclusion of the season, captains will receive a hold on their account denying them access to all University Recreation facilities and programs until paid.

**Sportsmanship**

**Code of Conduct**

- Good sportsmanship is integral to every Intramural Sports contest. In order for sportsmanship to prevail, participants and fans must display respect, fairness, civility, honesty, and respect before, during, and after each contest. We encourage fans to enthusiastically support their team. Offensive language, including profanity, derogatory remarks made in regards to a person’s race, ethnicity, culture, age, gender, sexual orientation, gender identity, ability, national
origin, veteran status, economic class or religion or other intimidating actions directed at officials, staff, participants or others will not be tolerated and are grounds for removal and/or ejection. Ensuring participant safety, providing a fun, social atmosphere, and promoting sportsmanlike behavior among participants, spectators, and team followers are our primary concerns.

- The team captain is responsible for the actions of any player on their team and for spectators directly related to that team. The conduct of all players and spectators before and after the game is as important as the conduct during the game. Teams should select members carefully as all team members will suffer the consequences of disciplinary action and sportsmanship ratings against the team. An individual’s behavior can have a dramatic effect on a team’s rating.

**Rating Method**

- Each team in a contest shall earn a sportsmanship rating determined by the Competitive Sports staff on duty. Ratings encompass the time prior to, during, and following all contests, and extends to all persons on, at, or near the game site.
- Sportsmanship ratings will be marked on the scoresheet. Any Competitive Sports staff member can provide input which may raise or lower the rating. Competitive Sports administrative staff members may amend a rating at any time for inappropriate conduct, use of an ineligible player, use of a suspended player, and/or inaccuracy in reporting.
- Teams may inquire with a supervisor at the game site to view their sportsmanship ratings. Teams may also view their sportsmanship ratings on IMLeagues.
- A team captain may appeal their team’s sportsmanship rating by submitting a written appeal to the Competitive Sports Office at imsports@ua.edu.

**Rating Factors**

- The following actions and behaviors by team members, spectators, and/or team followers can have a positive effect on a team’s earned sportsmanship rating:
  - Team members cooperate with and demonstrate good sportsmanship toward members of both teams, spectators, officials, and all other Competitive Sports staff.
  - Team captain exhibits control over the team and spectators, converses reasonably and rationally with officials about rule interpretations/calls, and cooperates with requests from a Competitive Sports staff member.
  - Team members participate in the spirit and intent of the Intramural Sport game rules and/or program policies. Team members accept judgment decisions made by the officials during the contest.
  - Respect is shown for facilities and equipment.

- The following actions and behaviors by team members, spectators, and/or team followers can have a negative effect on a team’s earned sportsmanship rating:
  - Participants/spectators who continually complain about officials’ decisions and display dissention that may include derogatory or abusive remarks. Complaints include both verbal and nonverbal behavior. Excessive arguing between opposing teams/spectators might also lead to a lower rating.
  - Team captain exhibits little control over the team, spectators, converses in a dissenting manner with officials about rules interpretations/calls (discussion is allowed as long as it is done in a mature manner by the team captain), or does not cooperate with requests from Competitive Sports staff.
  - Having any unsportsmanlike conduct penalties or having a player ejected for unsportsmanlike conduct.
  - Taunting an opponent or opposing team spectator.
  - Public indecency, vulgarity, or obscenity including foul or profane language and obscene gestures directed at an opponent, official, teammate, supervisor, spectator, or Competitive Sports staff member.
Physical abuse by participants/spectators in the form of fighting or threatening behavior with an opponent, teammate, official, or staff member which occurred before, during, or after an Intramural Sports contest.

Individuals/teams playing after the consumption of alcohol/drugs. If the contest has begun when this is discovered, the player(s) will be immediately removed from the facility, and contest will be forfeited to the opponent.

Damage to or destruction of any facilities or equipment including failure to remove trash from the playing area following a contest.

Rating Scale

- 4.0 – Excellent Sportsmanship: Players cooperate fully with the officials about rule interpretations and calls. The captain also exhibits full control of his/her teammates. Sportsmanship Infractions

- Sportsmanship infractions are unsportsmanlike penalties as defined by each sport’s rules (unsportsmanlike penalty in flag football, technical foul in basketball, yellow card in soccer, etc.)
- Receiving a sportsmanship infraction during a contest will negatively affect a team’s sportsmanship rating.
- Teams may not receive a sportsmanship rating of 2.0 or lower without a sportsmanship infraction.

Playoff Sportsmanship

- The Competitive Sports administrative staff will review the actions of any winning team that receives less than a 3.0 sportsmanship rating during the playoffs.
- The Competitive Sports administrative staff reserves the right to remove a team from the remainder of the playoffs if the team fails to receive a 3.0 sportsmanship rating.
- If a team is removed from the playoffs, the team that was last by the removed team will advance in the playoffs.

Ejections

- Participants and spectators that choose to practice unsportsmanlike behavior before, during, or after a contest, directed toward a participant, official, or a staff member may be ejected from that contest.
- A player disqualified or ejected from a game for unsportsmanlike conduct must leave the facility after speaking with a Competitive Sports Supervisor and immediately will be declared ineligible for play in all Intramural Sport activities until reinstated.
Failure to leave the area/complex may result in disqualification of the captain, or forfeiture of the game.

- Ejected participants must leave the Student Recreation Center or the Witt Student Activity Center and may not re-enter that day

- A contest official, Competitive Sports supervisor, or a member of the Competitive Sports staff may administer the ejection.

- Captains or remaining team members are required to give the Competitive Sports staff the name of the ejected participant following an ejection.
  - Failure to do so may result in the forfeiture of their game.

- Actions that lead to an automatic ejection will count as two unsportsmanlike penalties.

- A second occurrence of unsportsmanlike conduct by a team may result in the team’s forfeiture of the remainder of the season

**Grounds for Immediate Ejection**

  - Further, appropriate charges may be filed with the Office of Student Conduct.

The Competitive Sports Staff reserves the right to refer any case of inappropriate behavior to the Office of Student Conduct when necessary.
Reinstatement Procedures

- To regain eligibility, the ejected participant must complete the following:
  - Submit a reflection outlining the association between the ejection and emotional intelligence, the impact of the ejection on self and the community, and the actions necessary to prevent further negative interactions in the future.
  - Serve out any suspension given by the Competitive Sports administrative staff.
- While an ejected player is ineligible for all Intramural Sports beginning at the time of the ejection, any official suspension for the ejected person’s actions with respect to the particular incident does not begin until issued by the Competitive Sports administrative staff. The time between the ejection and when the suspension is issued will not be considered part of the suspension.
- The suspension may be adjudicated for another sport or season.

Team Organization Sportsmanship Violations

- Independent teams and organizations may be placed on probation for major sportsmanship violations by their members, such as using ineligible players, threatening actions towards opponents, officials, supervisors, or fans entering the playing area.
- It is up to the discretion of the Competitive Sports Office to determine length and severity of any penalty.

Protests

- All protests must deal with the interpretation of a rule or enforcement of a penalty for the infraction of those rules. Matters involving an official’s judgment are not eligible for protest.
- All protests, except those concerning eligibility, must be made on the field of play directly to an official at the time of the occurrence. Once play has resumed, the protest will not be valid.
- It is the responsibility of the team captain of the offended team to immediately ask the official for clarification of the issue.
- The Competitive Sports Supervisor or Program Assistant will be called over to rule on a disagreement based on the information at hand from the game officials and team captains.
- If either team is not satisfied with the decision made by the Intramural official, Supervisor, and Program Assistant, they must state to the Supervisor that they wish to formally protest the decision. The Competitive Sports administrative staff will rule on the protest the following business day and that ruling will be final.

**Concussion Information**

- **What is a concussion?**
  - A concussion is a type of traumatic brain injury (TBI) caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a fall or a blow to the body that causes the head and brain to move quickly back and forth ([http://www.cdc.gov/concussion/](http://www.cdc.gov/concussion/)).

- **Concussion Facts (CDC Heads Up Concussion Fact Sheet)**
  - A concussion is a brain injury that affects how your brain works.
  - A concussion is caused by a bump, blow, or jolt to the head or body.
  - A concussion can happen even if you haven’t been knocked out.
  - If you think you have a concussion, you should not return to play on the day of the injury and not until a health care professional says you are OK to return to play.

- **What should I do if I think I have a concussion? (Modified from CDC Heads Up Concussion Fact Sheet)**
  - DON’T HIDE IT. REPORT IT. Ignoring your symptoms and trying to “tough it out” makes symptoms worse. Tell the Competitive Sports staff and the athletic trainer if you or one of your teammates may have a concussion. Don’t let anyone pressure you into continuing to practice or play with a concussion.
  - GET CHECKED OUT. Only a health care professional can tell if you have a concussion and when it’s OK to return to play. Sports injury timeouts and player substitutions so that you can get checked out and the team can perform at its best. The sooner you get checked out, the sooner you may be able to safely return to play.
o TAKE CARE OF YOUR BRAIN. A concussion can affect your ability to do schoolwork and other activities.
   Most athletes with a concussion get better and return to sports, but it is important to rest and give your brain time to heal. A repeat concussion that occurs while your brain is still healing can cause long-term problems that may change your life forever.

- What can I do to feel better? (From CDC What to expect after a concussion)
  o Getting plenty of rest and sleep helps the brain to heal. Do not try to do too much too fast. As you start to feel better, you can slowly and gradually return to your usual routine. Here are some other tips to help you get better:
    o Avoid activities that are physically demanding (e.g., sports, heavy housecleaning, exercising) or require a lot of thinking or concentration (e.g., working on the computer, playing video games). Ignoring your symptoms and “toughing it out” often makes symptoms worse.
    o Ask your health care professional when you can safely drive a car, ride a bike, or operate heavy equipment.
    o Do not drink alcohol.

- What if I don’t feel better after a week? (From CDC What to expect after a concussion)
  o If you do not feel back to normal within one week, see a health care professional who has experience treating brain injuries.

- When should I return to the hospital emergency department? (From CDC What to expect after a concussion)
  o Sometimes serious problems develop after a head injury. Return immediately to the emergency department if you experience any of the following symptoms:
    ▪ Repeated vomiting
    ▪ Headache that gets worse and does not go away
    ▪ Loss of consciousness or unable to stay awake during times you would normally be awake.
    ▪ Getting more confused, restless, or agitated.
    ▪ Convulsions or seizures
    ▪ Difficulty walking or difficulty with balance
    ▪ Weakness or numbness
    ▪ Difficulty with your vision
  o Most of all, if you have any symptom that concerns you, your family members, or friends, don’t delay, see a doctor right away.
